Insurance for your customers

The cover provided by this Policy is intended to indemnify you for your responsibility for loss or damage which you are carrying in the normal course of Transit. This Policy does not provide insurance cover for your customers. You are not authorised to provide any financial services on our behalf. For the purposes of this clause, "Financial Services" includes selling, arranging or offering insurance issued by us or giving financial product advice (as defined in the Corporations Act 2001 (Cth)) on our behalf.

GENERAL CONDITIONS

THE FOLLOWING GENERAL CONDITIONS APPLY TO ALL SECTIONS OF THE POLICY

Applicable law

The Policy is governed by and shall be construed in accordance with the laws of New South Wales. Any dispute relating to the Policy shall be submitted to the exclusive jurisdiction of a competent Court within the State or Territory of Australia in which the Policy was issued.

Changing your policy

If You become aware of any changes to the facts or circumstances which existed when this insurance commenced that change the nature of the risk (for example, the nature of Your business operations, or other circumstances that affect the Goods carried) in a way that would increase the risk of Accident occurring You must notify Us in writing. If We agree to the change We will do so in writing and You must pay Us any additional premium We require.

Breach of condition

The law gives Us a number of rights if You do not comply with the conditions of the Policy. In particular cases We may be able to:

- cancel the Policy;
- avoid the Policy from the commencement date of the Period of Insurance;
- refuse to pay a claim;
- reduce the amount to be paid out on a claim.

Cross liability

Where You are comprised of more than one entity, the term "You" will be considered as applying to each entity in the same manner as though a separate Policy had been issued to each entity, provided that Our Limit of Indemnity and liability to make supplementary payments will apply as though there were not separate policies issued to each entity.

Due Care

It is a condition of the Policy that at all stages You must take Due Care in the handling, storage and movement of Goods in Your care, custody and control.

GST notice

If You are entitled to an input tax credit on any part of the premium You paid for this policy, then any sub limits or limits of liability stated in the policy are exclusive of GST to the extent of Your input tax credit entitlement.

In situations where We make a cash payment to You for the purchase of goods or services for which You are entitled to claim an input tax credit, We will only pay You an amount that is equal to Your net cost i.e. Your cost after claiming input tax credits.

Other insurance

If at the time of any loss, damage or Accident that may give rise to claim under the Policy, there is any other insurance policy covering the Goods whilst in the ordinary course of Transit effected by any other party then, as provided for under the Insurance Contracts Act 1984 We will not pay for Your claim to the extent the loss or damage is covered by the other policy.

However, this clause will not apply if You are a contracting party under this Policy and the other policy. In such a case You may choose which policy to claim under. If You claim under this Policy We may seek contribution from Your other insurer. You must give Us any information or assistance We reasonably ask for to help Us make a claim from Your other insurer

Pairs and sets

In the event of loss of or damage to an article forming part of a pair or set covered by this Policy no regard shall be made to the value such article(s) may have to the pair or set and the amount recoverable under the Policy shall be calculated as a proportionate part of the insured value of the pair or set.

Prohibited cover

Irrespective of any other provision of the Policy, We shall not be deemed to provide cover or be liable to pay any claim or provide any benefit (including a refund a premium) hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would contravene or otherwise expose Us to any penalty, sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, United Kingdom or United States of America.

Subrogation/Rights of recovery

We have the right to take action or institute legal proceedings, in Your name, for the recovery of payments made and expenses incurred in relation to any claim insured by the Policy, against any person, company or entity legally liable to You in respect of that claim. You must provide Us with full information and all reasonable assistance in the recovery of those payments or expenses. In particular, We reserve the right of subrogation against any of Your Subcontractors not solely and directly working under Your instructions and contract, or which have in place their own insurance arrangements covering their liability for loss or damage to Goods they carry.

Waiver of subrogation rights

We may not be liable to pay any benefits under the Policy for damage to Goods or other liability if You agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate You with respect to that damage to Goods or other liability.

CLAIMS PROCEDURES

As soon as You become aware of any, or any potential, occurrence, claim, writ, summons, proceeding or request in writing for damages which may result in a claim under Your Policy You must, at Your own expense:

- take such measures as may be reasonable for the purpose of averting or minimising such loss or damage. We will, subject to any claim recoverable hereunder, additionally reimburse You for any charges properly and reasonably incurred in pursuance of these duties. Measures taken by You or Us with the object of saving, protecting or recovering the Goods insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party;
- immediately inform the police of any malicious damage to or theft, of property in Your physical or legal control belonging to others;
- advise Us as soon as possible by email, telephone or facsimile telling Us how the loss of or damage to Goods or liability occurred;
- take all reasonable action to recover lost or stolen property that was in Your physical or legal control belonging to others and minimise the claim;
- as far as possible preserve any Goods or Conveying Vehicle or other items which might prove necessary or useful as evidence until We have had an opportunity of inspection;
- give Us all the information, proof and assistance We may require to prosecute, defend or settle Your claim including details of any other insurance effected by You or on Your behalf;
- as soon as reasonably practicable after the loss of or damage to Goods or liability occurred, deliver to Us a written claim containing as detailed an account of the circumstances surrounding the property damage or liability.
- if We ask You to provide Us with a Statutory Declaration You must provide it;
- immediately send Us any claim, writ, summons, or full details of other relevant legal or other proceedings such as an impending prosecution or inquest You receive or become aware of; and
- at all times give Us all the information and assistance We may reasonably require.

You MUST NOT:

- admit liability for, or offer, or agree to settle any claim without Our written consent; and/or
- authorise the repair or replacement of anything without Our agreement.

After You have advised Us of any loss of or damage to Goods

- You must comply with all the terms of the conditions before We will meet any claim under the Policy;
- We have the right to recover from any person against whom You may be able to claim any money paid by Us and We will have full discretion in the conduct, settlement or defence of any claim in Your name;
- We may take over and conduct, in Your name, the defence or settlement of any claim and We will have full discretion in the conduct of any proceedings in connection with the claim;
- We may pay You the Sum Insured under the Policy or any lesser amount for which a claim or claims may reasonably be settled. After We have paid You, We will no longer be liable for the claim(s) (or future conduct of the claim(s)) except for costs and expenses incurred up until the time We pay You that We previously agreed to pay.

Inspection and report:

Sometimes it may be necessary to arrange for a professional Inspection and Report to determine if there has been loss or damage covered by the Policy for which costs may initially be incurred by You or Us.

- If the claim is subsequently accepted as valid by Us, We will bear these costs subject to Sum Insured; and
- if the claim is not lodged or the claim is not subsequently accepted by Us, You agree to pay for these costs.
